

HANDS OF TIME

© Belinda McArdle 2011

The road I walk is long
But I am strong
I am strong ~~ I am strong

Once I was young so young
Far from the setting sun
I was young ~~ I was young

Who would turn back the hands of time
Who would turn back the hands of time
Mmmmm

Sure as the morning dawns
I will learn more
I will learn more ~~ I will learn more

Who would turn back the hands of time
Who would turn back the hands of time
Mmmmm

Ooooo Ooooo
Ooooo Ooooo
Ooooo Ooooo
Ooooo Ooooo

Who would turn back the hands of time
Who would turn back the hands of time
Mmmmm

The road I walk is long
But I am strong
I am strong ~~ I am strong
Mmmm

*(Who would Who **would** turn back the hands of time
*Who **would** turn back the hands of time)*
