

MY SONG

© Belinda McArdle 2010

I have a book - Share it with me
Tell me what you see
I have a book - Share it with me
What do you see?

I have a hope – Share it with me
Hope all that you want to be
I have a hope – Share it with me
We'll hope - you and me

I have a song – Share it with me
Sing it how you want to sing
I have a song – Share it with me
Sing how you sing

I have a prayer - Pray it with me
However you need to pray
I have a prayer - Pray it with me
Pray it with me

I have a harp – Play it for me
Play it how you see
I have a harp – Play it for me
Play it for me

I have a book - Share it with me
See what you need to see
I have a song - Hope it with me
Hope – you and me
