

WITHIN AND WITHOUT

© Belinda McArdle 2010

Hold – that thought
Hold time
Hold space
Hold me in this place

Hold – me here
We will conquer all
Conquer all my fear
Hold me in this place
Hold me in this place

**As within will be throughout
What is kept and what's left out
From rolling sea to desert drought
It is that I am in this place**

Hold – my hand
Golden sand
Oldest sand
Hold me in this place

Hold – my song
On the wind
Magic wind
In this place I belong
Hold me in this place

CHORUS x 2

**It is that I am in –
It is that I am in –
It is that I am in –
this place**
