

**BREATHE**

© Belinda McArdle 2019

Oh to breathe – slow and deep – while the world lies still – asleep

**Oh to breathe – slow and deep – while the world lies still – asleep**

And the cover of the stars will keep me **(cover of the)**

And the cover of the stars will keep me **(stars will keep me)**

Oh – to breathe **(Oh to breathe)**

Oh to sleep– long and deep – while the world circles– and breathes

**Oh to sleep – long and deep – while the world circles – and breathes**

And the cover of the moon will guide me **(cover of the)**

And the cover of the moon will guide me **(moon will guide me)**

Oh – to sleep **(Oh to sleep)**

Oh to weep – sweet retreat – while the world holds firm – for me

**Oh to weep– sweet retreat– while the world holds firm – for me**

And the cover of the night will lead me **(cover of the)**

And the cover of the night will lead me **(night will lead me)**

**In between – (In between)**

**In betwe-en (In between)**

**Now and Then – (Now and then)**

**Now and The-n (Now and th-en)**

**Somewhere between – no echo**

**Oh to bre-athe**
